

Volunteer Limited Criminal History Permission Form

In an effort to ensure the safety of all staff and program participants and to remain in compliance with donors, funders and state statutes, all volunteers will need to agree to an Indiana State Police – Limited Criminal History Search prior to scheduling your proposed date of volunteerism. The results of the background check will be received by the Deputy Director, Youth Services and kept in confidence. Convictions related to violent acts, felony drug cases, crimes against children or sexual misconduct of any nature will be automatic grounds for denying a volunteer opportunity.

Please provide the following for the background check:

1. First, middle, and last name
2. Social security number
3. Place of birth, city, state
4. Birth date
5. Male Female
6. Race

Please sign and date giving permission to do a Limited Criminal History Search
